

THE BOROUGH OF MONTOURSVILLE  
WORK SESSION

February 21, 2011

The work session of the Montoursville Borough Council was called to order by Council President Robert Brobson at 7 PM with attendance by council members Donald Konkle, Jr., Eugene Boyles, Robert Brobson, Ronald Shearer, Gary Marshall and Mayor John Dorin. Also attending were planning commission members Donald King, Chris King & Tony Salvatori

The Pledge of Allegiance was observed.

The first item of discussion was the Temporary roof structure/Senior Project/McCall School. An agreement to have the permit state that the structure will be put up 1 week prior to the season beginning and 1 week after the season is over. School Board President, Bob Lorson stated the school district will have a resolution drawn up to be put on record. A discussion then took place regarding the project.

The second item to be discussed was the Water Storage Tanks. Mr. King from the Planning Commission stated some concerns of the Planning Commission. Some residents attending the meeting had questions regarding their concerns. Council addressed many issues and stated they will continue to try to come up with solutions. A discussion then took place regarding the wells and their output.

The third item was to be presented by Mr Thomas Sauers of the Central Keystone COG regarding the building and zoning codes services that they could offer to Montoursville Borough. Mayor Dorin had questions regarding the enforcement of building & zoning codes.

Other discussions took place regarding several issues with some of them being Hutchinson East and the proposed football fields in Indian Park.

Respectfully submitted,

---

Ginny Gardner, Borough Secretary/Treasurer
