**Members Absent: Ron Hess, Dan Nichols**

**Guests: Bill Lawson, Dave Tallada, Kaitlyn Twigg, Aaron McCarty, Samantha Rouch, Rick Walker**

The guests attended the meeting to express concerns about cutting down trees in Indian Park. The borough council has not been presented plans for future ball fields and until they are, there will be no trees removed from the park. The trees in the main part of the park will remain.

The minutes from the June 15<sup>th</sup> meeting were approved. Motion made by Marian Harris, seconded by Robert Brobson. All in favor.

Robert Dunne expressed concern about the stage being used when the Recreation Board has a concert planned. Robert Brobson suggested that we file a permit then the board would be sure to have it reserved. Also, Mr. Dunne is requesting when the tables are removed for the concert, they be placed off to the side or farther out in the field.
