**§ 150-26.1. Permit street parking.** [Added 5-17-2004 by Ord. No. 401; amended 5-7-2007 by Ord. No. 422]

- A. Findings and purpose. The Borough of Montoursville finds that:
- (1) Certain residential areas in the Borough of Montoursville are subject to commuter and student vehicle parking, therefore depriving the residents of those areas in which to park their own vehicles.
  - (2) The establishment of a parking permit program for certain affected areas should facilitate the efficient movement of traffic by providing for parking preference during certain hours of the day and days of the week. Therefore, the Borough of Montoursville considers it to be in the best interest of the residents of the Borough to provide for the establishment of a residential permit parking program to insure primary access to available parking spaces by neighborhood residents and to facilitate the efficient movement of traffic.
- B. Definitions. For the purposes of this section, words and terms shall have the following meanings:

**COMMUTER VEHICLE** — A motor vehicle parked by a person not a resident, invited guest or patron of a home occupation or private business in a residential area.

**HOME OCCUPATION** — An accessory use which is carried on by a member(s) of a family occupying a dwelling unit, which use is clearly incidental to the principal residential use and has been authorized according to the Zoning Ordinance of the Borough of Montoursville.<sup>2</sup>

**PERMIT PARKING AREA** — A contiguous area containing public highways or parts of public highways primarily abutted by residential property and designated in this section as a residential permit parking area.

**PROPRIETOR** — A person who owns or leases real estate within a residential area of which he is not a resident, but who owns or manages a business enterprise or professional office maintained at that address.

---

2. Editor's Note: See Ch. 158, Zoning.

RESIDENT — A person who owns or leases real property within a residential area and who maintains either a voting residence, or bona fide occupancy, or both at that address.

- C. Signs/time period. The areas established by the Borough within the permit parking areas described herein shall be designated by signs erected thereon as "Permit Parking Only." The signs shall indicate the days, hours and conditions, if any, under which parking shall be by permit only. If the time is not designated on the sign the restriction shall be for a twenty-four-hour period.
- D. Designation of permit parking areas. It shall be unlawful for anyone not having a permit to park a motor vehicle on any street or parts of streets described in § 150-59, Schedule XXII, during the period August 15 through June 15, Monday through Friday of each week, between the hours of 8:00 a.m. to 3:00 p.m.
- E. Application for residential parking permit.
  - (1) Application for residential parking permits may be made to the Borough by any adult who resides in, or by a proprietor of, property immediately adjacent to a street or other location within a residential parking permit area.
  - (2) Each parking permit application shall contain the following information:
    - (a) The name, address, date of birth, social security number, and phone number of the applicant; and
    - (b) The owner of the property's name, address and phone number if not the same as the applicant.
- F. Issuance of permit. Upon receipt of the application and determination by the Borough that the information upon the application shows that the applicant is entitled to a residential/visitor permit for a motor vehicle, the Borough shall issue to the applicant a residential/visitor parking permit.
- G. Number of permanent permits. Each residence may have a permanent permit for each vehicle registered to that mailing address.
- H. Permanent visitor permits. Each residence may, at the discretion of the Chief of Police, be issued permanent visitor permits. The Chief of Police will consider applications for visitor permits on a case-by-case basis. Any resident who disagrees with the determination of the Chief of Police may appeal in writing to the Mayor, whose determination shall be final.
- I. Temporary visitor permits. Upon completion of an application, residents may obtain temporary visitor permits allowing visitors to park in a designated residential permit parking area. The temporary visitor parking permits may be issued only to a bona fide resident of a residence in the residential permit parking area. The visitor parking permits shall be valid for a maximum of 48 hours.
- J. Parking permits for home occupations. A maximum of two permanent visitor permits, in addition to the permits allowed in Subsection G above, may be issued to a proprietor or person conducting a home occupation upon completion of an application and payment of the fee established pursuant to resolution of Council.

K. Responsibility of permit holders or users:

- (1) A parking permit shall not authorize its holder to stand or park a motor vehicle in any place where or any time when stopping, standing or parking a motor vehicle is prohibited or set aside for other specified types of vehicles, nor shall the permit exempt its holder from the observance of any traffic or parking regulation.
- (2) A parking permit shall not guarantee or reserve to the holder a parking space within a designated permit parking area.
- (3) The parking permits issued pursuant to this section shall be hung from the vehicle's inside rearview mirror, so as to be clearly visible and readable through the front windshield from the outside of the vehicle.

L. Violations.

- (1) It shall constitute a violation of this section for any person to permit a motor vehicle to stand or park in a permit parking area without displaying a current and valid permit at any time when parking is restricted to parking by permit only.
- (2) It shall constitute a violation of this section for any person to display other than the current and valid permit while standing or parking in a permit parking area at any time when parking is restricted to parking only by permit.
- (3) It shall constitute a violation of this section for any person falsely to represent himself as eligible for a parking permit or to furnish false information in an application to the Chief of Police in order to obtain a parking permit.
- (4) It shall constitute a violation of this section for any person, other than a resident of or visitor to a residence or business in a permit parking area, to use or display a residential parking permit. Any such use or display by a person not visiting a residence or business in a permit parking area shall constitute a violation of this section by the permit holder and by the person who so used or displayed the parking permit.
- (5) It shall constitute a violation of this section for any permit holder to represent to any other individual that the permit guarantees or reserves to the holder a particular parking space within a designated permit parking area.

M. Revocation of permits. The Chief of Police shall have authority to revoke any parking permit of any permit holder found to be in violation of any provision of this section. Upon written notification to him of the revocation, the permit holder shall surrender the permit to the Chief of Police. Failure to do so, once requested, shall constitute a violation of this section.

N. Duplicate or replacement permit. Any parking permit which has been issued pursuant to this section which has been lost, stolen or destroyed may be replaced for a fee to be set by resolution by Council.

O. Falsification/transferability of permits. Any person who falsifies, duplicates, forges, alters, transfers or attempts to transfer any parking permit issued pursuant to this section or who obtains a duplicate or replacement parking permit under false pretenses shall be subject to

arrest and prosecution under the applicable provisions of the Pennsylvania Crimes Code.

**§ 150-27. Penalties for parking violations.**

Any person who violates any provision of this article shall, upon conviction, be sentenced to pay a fine of \$25 and costs; provided, however, that it shall be the duty of the police officers of the Borough to report to the Borough Secretary all violations of any provision of this article, indicating, in each case, the section violated, the license number of the vehicle involved in the violation, the location where the violation took place and any other facts that might be necessary in order to secure a clear understanding of the circumstances attending the violation. The police officer or other person making the report shall also attach to or place upon every such vehicle a notice stating that the vehicle was parked in violation of this article. The notice shall contain instructions to the owner or driver of the vehicle that if he will report to the office of the Borough Secretary and pay the sum of \$10 within 96 hours after the time of the notice, that act will save the violator from prosecution and from payment of the fine and costs prescribed in the first sentence of this section.

ARTICLE IV

**Removal and Impounding of Certain Vehicles**

**§ 150-28. Applicability and scope.** [Amended 5-7-2007 by Ord. No. 422; 10-1-2007 by Ord. No. 425]

This article is enacted under authority of § 6109(a)(22) of the Vehicle Code<sup>3</sup> and gives authority to the Borough to remove and impound vehicles that are parked in violation of the parking regulations of the Borough or overtime on any street or in metered parking lots, unmetered parking lots, permit parking lots or municipal parking lots in violation of any provision of this chapter.

**§ 150-29. Authority to remove and impound.**

The Borough shall have authority to remove and impound or to order the removal and impounding of any vehicle parked overtime or otherwise illegally parked, provided that the circumstances of its parking were within the conditions stated in § 150-28 of this article and provided that no such vehicle shall be removed or impounded except in strict adherence to the provisions of this article.

**§ 150-30. Designation of approved licensed salvors; bonding; towing and storage.**

Removal and impounding of vehicles under this article shall be done only by approved licensed salvor that shall be designated from time to time by the Borough Council or the Pennsylvania Department of Transportation. Every such licensed salvor shall submit evidence to the Borough Council that it is bonded or has acquired liability insurance in an amount satisfactory to the Borough Council as sufficient to indemnify owners of impounded vehicles against loss or damage to those vehicles while in the custody of the licensed salvor for the purpose of towing or storage. The approved licensed salvor shall submit to the Borough Council its schedule of charges for towing and storage of vehicles under this article, and when the schedule is approved

by the Borough Council, those charges shall be adhered to by the approved licensed salvor. No different schedule of charges shall be adopted without approval of the Borough Council, and no different charges shall be demanded of or collected from any person whose vehicle is removed or impounded under this article by any approved licensed salvor. The Borough Council shall delete from its list of approved licensed salvors any salvor that makes any unapproved charge in connection with any vehicle removed or impounded under this article.

**§ 150-31. Notification of removal and impounding.**

Within 12 hours from the time of removal of any vehicle under authority granted by this article, notice of the fact that the vehicle was removed shall be sent by the Borough to the owner of record of the vehicle. The notice shall designate the place from which the vehicle was removed, the reason for its removal and impounding and the garage in which it was impounded.

**§ 150-32. Payment of towing and storage charges.**

In order to claim a vehicle, the owner shall pay all towing and storage charges. The payment of the towing and storage charges authorized by this article shall, unless payment is made under protest, be final and conclusive and shall constitute a waiver of any right to recover the money so paid. If payment of any towing or storage charges is made under protest, the offender shall be entitled to a hearing before a District Justice. Payment of towing and storage charges shall not relieve the owner or driver of any vehicle from liability for any fine or penalty for the violation of the provision of this chapter for which the vehicle was removed or impounded.

**§ 150-33. Records of vehicles removed and impounded; disposition of unclaimed vehicles.**

- A. The Borough shall cause a record to be kept of all vehicles impounded under this article and shall be able at all reasonable times to furnish the owners or the agents of the owners of those vehicles with information as to the place of storage of the vehicle.
- B. If, after a period of 15 days the vehicle in storage remains unclaimed, the vehicle will be declared abandoned and will be dealt with in accordance with the provisions of Chapter 73 of the Motor Vehicle Code (75 Pa.C.S.A. § 7301 et seq., as amended).

**§ 150-34. Restrictions upon removal of vehicles.**

No vehicle shall be removed under the authority of this article if, at the time of the intended removal, the owner or the person for the time being in charge of the vehicle is present and expresses a willingness and intention to remove the vehicle immediately.

**§ 150-35. Parking prohibited for snow removal.**

Parking on any street within the Borough of Montoursville is hereby prohibited during any snowstorm, and until snow removal or snow plowing is completed upon that street.

Any person violating the provisions of § 150-35 of this article shall be subject to a penalty of \$10 for each and every offense, provided that such penalty of \$10 is paid within four days of the issuance of the notice of violation. In the event that the penalty is not paid within four days as aforesaid, said person shall then be guilty of a summary offense and shall, upon conviction, be sentenced to pay a fine of not less than \$20, together with costs of prosecution, nor more than the maximum fine for summary offenses as the same may be from time to time provided for in the Pennsylvania Motor Vehicle Code.

ARTICLE VI  
**Miscellaneous Provisions**

**§ 150-37. Violations and penalties.**

Unless another penalty is expressly provided by the Vehicle Code (75 Pa.C.S.A. § 101 et seq.) or except as herein specified, every person convicted of a violation of a provision of this chapter, or any supplement thereto, shall be liable to a penalty of \$25 and costs of prosecution.
